

COPYRIGHT AGREEMENT

Leuven, 7-9 October 2009

The Proceedings of this conference may be published in forms including hard copy, CD-ROM, and WWW electronic versions. The papers may also be promoted to several collections of Open Digital Archives.

It is important that all contributors sign the enclosed agreement to permit unrestricted publication by all publishing agents chosen by **EDA Publishing**.

This form is intended for original, previously unpublished material submitted to conferences organized by CMP, possibly in cooperation with other professional societies. It is important to make clear that **EDA Publishing** as a non-profit Organization registered in Grenoble, France will hold the copyright for organisational reasons, to enable other parties to use the material. **EDA Publishing** has no desire to constrain or profit in any way, and immediately re-assigns unconstrained ability to publish or copy to the authors and all publishing agents chosen by **EDA Publishing**.

You may care to keep a copy of this form for your files.

TITLE OF THE WORK:	
AUTHORS:	
Publication TITLE/DATE:	15th International Workshop on Thermal investigations of ICs and Systems – THERMINIC 2009 – 7-9 October, Leuven, Belgium

The undersigned hereby assigns to **EDA Publishing** unconstrained rights to publish, print or copy the above work in any form.

The undersigned hereby assigns to **EDA Publishing** the right to pass on these same unconstrained rights to publish, print or copy the above work in any form (including hard copy, CD-ROM and WWW Web) to any professional societies like IEEE, ACM, I-Revues - CNRS etc. ... or any open archives organizations like arXiv.org, Driver project, HAL-CNRS, etc. ...

The undersigned understands that the copyright will be held by **EDA Publishing** for organisational reasons except in the cases of UK and US Government Employees. Such persons are additionally required to sign in the special box provided, in which case the copyright is retained by their respective organizations, but in no way does this diminish the rights assigned to **EDA Publishing**.

COPYRIGHT AGREEMENT

Leuven, 7-9 October 2009

The undersigned hereby warrants that the work is original and that he/she has the power and authority to make and execute this assignment.

Authors and Employers retain all proprietary rights in any process, procedure or article of manufacture described in the work, and similarly retain unconstrained rights to publish, print or copy the above work in any form.
